

Arkansas Liquefied Petroleum Gas Board

DOT CYLINDER DELIVERY ONLY EXAM

(Study Guide)

This study guide should be used by individuals seeking certification for DOT cylinder delivery as preparation for taking the required exam. Prior to taking this exam, individuals must complete a minimum of 30 days of supervised on the job training. In addition to this training, individuals seeking certification must possess a current valid commercial driver license with the proper endorsements.

Study material is taken from both the Arkansas LP-Gas code book and the most recent addition of NFPA 58. A copy of the code book can be obtained by request from your inspector, contacting the agency office 501-683-4100, or by download from the agency website.
